ABOUT US

Our 18-hole, par-72 course features a distinctive design: the open, inviting front nine contrasts with the more challenging, forested back nine. The course is suitable for all ages, and provides stunning mountain views and the chance to spot local wildlife like bears, moose, eagles, and deer. Located just 30 minutes from Whistler and two hours from Vancouver, Sunstone is perfect for golf enthusiasts and nature lovers.

Our clubhouse features the Sunstone Bar & Grill, known for its inviting atmosphere and Pemberton's largest outdoor patio. It's an ideal venue for corporate events, weddings, concerts, or a casual meal. Guests enjoy daily specials, a full bar, Happy Hour, and a delicious menu—all with stunning views of Mt. Currie.
